## ATTENTION New Britain / Berlin Residents!

The New Britain landfill located on Deming Road in Berlin has closed, which means increased disposal costs for the City. We would like to take this opportunity to stress the importance of **REDUCING, REUSING AND RECYCLING**.

Recycling saves the City money. More recycling means more savings for taxpayers, make sure you are recycling all of the acceptable items outlined on your blue cart.

In addition to Single Stream Recycling, this sheet outlines disposal guidelines for a variety of common disposal items, including leaves & hazardous household waste.

Drop off your unwanted household items, including furniture and non-power tools, at the New Britain Recycling Center.
